

BOIKO NATALIIA

FULL STACK DEVELOPER

SUMMARY

I am a self-motivated and passionate individual who loves to learn new technologies and solve complex problems. I have a strong background in web development, with experience in creating responsive websites and applications. I am also experienced in working with HTML, CSS, JavaScript, React, Next.js, React Native, Node.js and other web technologies. I am eager to use my skills to create innovative solutions that will help businesses succeed.
